## Investment Program

- Provided by THE FORECAST

*Geared to  
Today's Markets*

In this market setting when the investment action you take is vital to preserving and building capital and income... we suggest that you turn to THE FORECAST just as you would consult your lawyer, doctor, architect, etc., for professional advice. FORECAST SERVICE will provide you with the essentials you need in conducting a sound investment program.

### 1. When to Buy and When to Sell

Our weekly market forecast... with chart of daily action... projects the trends and basic forces at work. Definite market advice is then given which you can apply to your independent holdings and to our recommendations. Included... with graphs... are Dow Theory Interpretations of Major and Intermediate Trends; *also of our special Market - Support Indicator measuring supply and demand. The latter warned of the 1946 break six weeks ahead... and shows significant indications at this time.*

### 2. Definite Advices on Intrinsically Sound Issues

All recommendations must meet our rigid evaluating factors in regard to: (a) Industrial Position and Potentials; (b) Financial Strength; (c) Proven Earning Power; (d) 6% to 8% Yields Amply Supported by Earnings. *We also specialize in the selection of growth situations in Low-Priced Stocks for Large Percentage Gains.* Technical as well as fundamental factors are carefully considered as it is our steadfast policy to have you strategically time your commitments. This overall analysis is fully applied to all selections... bonds and preferreds as well as common stocks.

### 3. Programs Fitted to Your Needs

Securities selected are carried under our continuous supervision in specialized programs suited to your capital, wishes and objectives. There are three programs: (a) For Annual Income of 6% to 8% on a Regular Monthly Basis; (b) Dynamic Securities for Capital Building with Higher Dividend Potentials; (c) Low-Priced Opportunities for Large Percentage Profits. Each program comprises a fixed number of securities and it is our aim to have you contract or expand your position as we anticipate pronounced market weakness or strength. Sound selection and proper timing keynote FORECAST SERVICE.

### 4. Continuous Consultation

You are welcome to consult us... by mail or by wire... on securities in which you are interested... as many as 12 at a time... to place and maintain your portfolio on a sound basis. We will advise you what to hold... switch... or close out.

**A Plus Service**... These consultation privileges alone can be worth hundreds and thousands of

dollars to you in concentrating in potential leaders... in stable investment situations... in avoiding laggards... in keeping your position adjusted to the market's outlook.

Enroll NOW for the protection and advantages of Forecast Service... especially under today's conditions. *At this time, you also have the advantage of our Special Offer of Free Service to Nov. 15. Mail the coupon below today.*

### Have The Forecast Serve You

*... in Building Dynamic Profits as Major Turn Gets Underway*

The weeks ahead will crystallize the adjustment in security prices, discount uncertainties now pending. As the market consolidates its position, it will indicate how close we are to a basic turn.

From such situations substantial profits have been secured by Forecast subscribers... building up in a few weeks many points appreciation which normally take several months. Enroll now to participate in our new recommendations as selected.
